▲ A small Company with a Big Heart!

The need to create much-needed jobs came after typhoon Yolanda 2013 (international name: Haiyan), considered the most powerful storm to make landfall in recorded history. People's life chances were strongly affected and the reconstruction will take a long time.

After identifying the various business opportunities in the Leyte region, it was determined that production of Virgin Coconut Oil (VCO) were viable since the raw material is readily available locally - Koko Oil was born...

▲ What we do...

We just do one thing, but we do it with love! Some people call us boring by just doing one thing but we have a true passion for what we do

- Premium Raw Virgin Coconut Oil, the most edible and healthy oil in the world. Our oil is derived through an automated process called "Cold processed - Centrifuge Method" in our factory being of the absolute highest industry standard. The cold process method ensures that the oil is not altered but remains in its natural form. Our oil is unrefined, unbleached, non-deodorized, non-hydrogenated, free-from any GMO ingredients and chemicals.

✔ HIGHEST QUALITY

ORGANIC vs PREMIUM RAW

--Organic certification by a third party requires costly visits to each farm by the certification agencies. This usually leads to the most vulnerable farmers for economic reasons being left out.

Our solution is providing 100% naturally grown Premium Raw Virgin Coconut Oil. The oil is 100% pure with a delicious and creamy taste. There is no gluten, lactose or GMO and free from cholesterol and trans-fat. All to adapt to the most common market requirements. While at same time being able us to support the marginalized farmers-by buying and pick-up directly at farm gate for a much higher price and not through middle man.

Koko Oil are built in order to produce a top quality Virgin Coconut Oil and are a Premium Coconut Oil Company. In order to meet the highest industry quality standards we use only quality 100% naturally grown, matured, non-hybrid, hand-picked coconuts.

Our Premium Raw Virgin Coconut Oil has a pure color, looking like crystal

water, sweet and mild in taste and has retained its natural sweet aroma. It has a guaranteed shelf life of more than 2 -years. There is no gluten, lactose or GMO which makes it very suitable for vegetarians and vegans.

We are mainly a bulk producer but offers retail packaging of different sizes in cooperation with several international co-packers. As an additional service we can also provide private labelling to your own specification.
